

MINUTES  
CITY COUNCIL REGULAR MEETING  
NOVEMBER 3, 2008  
7:00 P.M.

**CALL THE MEETING TO ORDER:** Mayor Cox called the meeting to order at 7:00 p.m.

**ROLL CALL:** Those present included Council Members Jonathan Cox, Linda Grant, Mike Wilson, Mike Sosebee, and Mayor Joe Lane Cox; staff present were Dana Miles, City Attorney, Kim Cornelison, City Administrator/Clerk, and Steve Holder, Planning Director.

**INVOCATION AND PLEDGE:** Invocation was led by Kim Cornelison followed by the pledge of allegiance.

**APPROVAL OF MINUTES:**

Council approved the minutes from the regular meeting held October 6, 2008; motion by Jonathan Cox; second by Linda Grant, the motion carried unanimously.

**NEW BUSINESS:**

Proclamation: Recognizing November as National Home Care Month – Cindy Reynolds, Tugaloo Home Health Agency – The City Clerk read the proclamation in to the minutes and presented the proclamation to Cindy Reynolds of Tugaloo Home Health Agency. Attached as Exhibit “A”.

Proposed Red Flag Ordinance – Identity Theft Program: Dana Miles addressed the Council stating that the Federal Trade Commission has made changes in the Red Flag Rules which makes it necessary for the City to adopt provisions to prevent identity theft. Essentially any municipality who extends credit must adopt provisions; by virtue of the fact that the city does extend monthly credit because water, sewer, and garbage bills are billed after usage, or after services have been provided, means that the City provides credit. Dana Miles ask the council to review the ordinance and provide any input you may have as the ordinance will be up for adoption the next two meetings.

Long-term Watershed Monitoring – Rick Jeffares: Rick Jeffares representing both Turnipseed Engineering and J & T Environmental Services, Inc. presented the attached proposals to the Council stating that city adopted a Watershed Protection plan because it was a required component for the wastewater permit. Some of the requirements in the protection plan are to have regular sampling and monitoring of the watershed area.

J & T Environmental Services, Inc. will provide the yearly chemical and field data collection and testing. The total cost yearly for this sampling, testing, and reporting is \$7,500.

Register Nelson Environmental Consultants will provide the biological and habitat sampling and testing, looking for macroinvertebrate and will do fish surveys. The total cost for this sampling, testing, and reporting is \$9,840. This type of sampling and testing will have to be done every other year.

Council unanimously approved authorizing the work to proceed. Motion by Jonathan Cox, seconded by Mike Sosebee. Agreements are attached as Exhibit “B”.

Historic District Sign Permit Application – BDR Properties, 86 Hwy. 53 West, Suite 100: Steve Holder presented the application stating everything was in order and that the sign is replacing an existing sign using the same style of sign, size, and color.

Council unanimously approved the sign request. Mike Sosebee made the motion; Linda Grant seconded.

Community Agenda portion of the Comprehensive Plan – final adoption: Steve Holder made the council aware that the Comp Plan is complete and that approval has been received for all of the elements: the Community Assessment, the Community Participation program and the Community Agenda. Approval has been acquired from the Georgia Mountains Regional Development Center and the Georgia Department of Community Affairs. It is now ready for final adoption from the City.

MINUTES  
CITY COUNCIL REGULAR MEETING  
NOVEMBER 3, 2008  
7:00 P.M.

Council unanimously approved authorizing the Mayor to sign an adopting resolution. Motion by Linda Grant; second by Mike Wilson. The motion carried unanimously. Attached as Exhibit "C".

**PUBLIC HEARINGS:**

To hear an ordinance to amend the zoning ordinance of the City of Dawsonville, Georgia to provide for regulations related to permitted uses in certain zoning categories, to provide for an effective date, and for other purposes Second hearing.

Dana Miles presented the ordinance stating that the purpose of the ordinance is to correct the Restricted Commercial Zoning District that only allowed for industrial uses instead of both industrial and commercial uses; he then opened the public hearing for the first reading. There were approximately 15 people in attendance and no one spoke in favor or in opposition of the ordinance.

The public hearing was closed and the Mayor called for a motion. Mike Wilson made a motion to approve; Mike Sosebee seconded. The motion carried unanimously. Attached as Exhibit "D".

To hear To hear an ordinance to Repeal the Historic Preservation Ordinance of the City of Dawsonville Georgia, and to Adopt a New Historic Preservation Ordinance for the same, to provide for a Historic Preservation Commission; to provide for the Adoption of Design Standards; to provide for Definitions; to provide for the Designation of Historic Properties and Historic Districts; to provide for Amendments to Historic Properties and Historic Districts; to provide for a Certificate of Appropriateness; to provide Review Guidelines; to provide for Hearings; to provide for an Application Process; to provide for Enforcement and Penalties; to provide for Severability; to provide for an Effective Date, and for Other Purposes. First reading 11/3; second reading 12/1.

Dana Miles informed the council that he and the Planning Director have worked to revise the Historic Preservation Ordinance. The new ordinance essentially provides an update to the previous ordinance, it sets up a Historic Preservation Commission which is the Planning Commission and allows them to review changes to be made to historic properties within the district, to issue certificates of appropriateness, and even provides for an appeal process so that the council would hear any appeals.

Steve Holder told the council that the ordinance provides the guidelines the Planning Commission would use to authorize work within the district. It also provides for areas that influence the district and recommends the expansion of the historic boundary which will come at a later date.

It brings City regulations more inline with state regulations and will help property owners downtown with tax credits for projects they are working on.

There were approximately 15 people in attendance and no one spoke in favor or in opposition of the retail sales alcohol applications.

The public hearing was closed and the Mayor called for a motion. Mike Sosebee made a motion to approve; Linda Grant seconded. The motion carried unanimously.

**MAYORS REPORT:**

The Service Delivery Strategy Agreement has been reviewed by the Department of Community Affairs and the City received a letter stating that the agreement has been approved.

Mayor Cox invited the council to attend the Georgia Municipal Association District Meeting on December 4<sup>th</sup> starting at 6:30 p.m. at Helen City Hall. He also asked for approval for per diem for those who attend.

Mike Sosebee made a motion to approve per diem for the meeting. Linda Grant seconded. The motion

MINUTES  
CITY COUNCIL REGULAR MEETING  
NOVEMBER 3, 2008  
7:00 P.M.

carried unanimously.

Mayor Cox informed the council that he would be attending the Annual Regional Development Council conference in St. Simons and asked for approval of per diem for attending the conference. He will be networking and meeting with officials from the DCA, DOT, the Governor and Lt. Governor as well as Senators and members of the House of Representatives.

Mike Sosebee made a motion to approve per diem for the conference. Linda Grant seconded. The motion carried unanimously.

Mayor Cox asked the council to approve going in to executive session for the purpose of discussing personnel.

At 7:25 Jonathan Cox made a motion to go into executive session for the purpose of discussing personnel. Mike Wilson seconded the motion. The motion carried unanimously.

**EXECUTIVE SESSION:**

Council discussed and evaluated the Planning Director's position and subsequent reallocation of job responsibilities. In light of the economic downturn, which has tremendously impacted the Planning Department, and the need to provide justification for continued employment, this position will now be responsible for all functions of the museum and will report to the Mayor.

At 7:50 p.m. Council made a motion close executive session and reconvene the regular meeting. Motion by Mike Wilson, second by Mike Sosebee. The motion carried unanimously.

Council made a motion to amend the agenda for the purpose of dissolving the Georgia Racing Hall of Fame Commission. Motion was made by Mike Sosebee; second by Jonathan Cox. The motion carried unanimously.

Dissolution of the Georgia Racing Hall of Fame Commission: Council desires to dissolve the Georgia Racing Hall of Fame Commission which is an appointed board by the City. The City is now in a position where it can take over the operations of the museum and do that in house. From a budget perspective that makes sense for the City to do at this point in time.

Jonathan Cox made a motion to dissolve the Georgia Racing Hall of Fame Commission effective immediately. The duties of the museum previously delegated to the Commission would be kept in house and Steve Holder would be responsible for that department. The current budget and funds of the museum would transfer and the museum would be included in the forthcoming budget. Linda Grant seconded the motion; the motion carried unanimously.

Mayor Cox reminded everyone that on Tuesday, November 11<sup>th</sup> is Veterans Day and there will be a parade and service; council needs to let the Clerk know if they will be in the parade.

**ADJOURNMENT:** There being no further business, Mike Wilson made a motion to adjourn the meeting at 8:00 p.m. Second by Linda Grant; the motion carried unanimously.

# Proclamation

Recognizing November as  
National Home Care Month

**Whereas**, home care services provide high quality and compassionate health care services to those in need, especially at times of community or personal health care crisis,

**Whereas**, home care is the most preferred method of health care delivery among disabled, elderly, and chronically ill individuals eager to live independently in their own homes as long as they possibly can; and

**Whereas**, home care services allow families to stay together, and provide for greater health, dignity and comfort in our communities; and

**Whereas**, home care in the United States is a growing alternative to hospitalization or other institution-based forms of health care for acute, chronic and terminal illnesses, providing care to millions of Americans each year; and

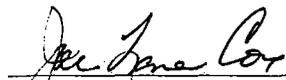

**Whereas**, thousands of everyday heroes such as home care nurses, therapists and aides work tirelessly to provide professional health care and support to millions of Americans in need of quality health services; and

**Whereas**, these dedicated home care professionals and volunteers form a support network that continues to play a vital role in health care delivery for our nation's disabled, infirm and aging population; and

**Whereas**, Amedisys Home Health Care, the National Association for Home Care, and thousands of home care and hospice agencies across the United States have declared the month of November as National Home Care Month and are calling on all Americans to observe these occasions with appropriate ceremonies and activities;

**Now, therefore, be it resolved** that I, Joe Lane Cox, Mayor, do hereby proclaim November as NATIONAL HOME CARE MONTH in the city of Dawsonville, Georgia and encourage the support and participation of all citizens in learning more about the home care and hospice concepts of care for the elderly, disabled, and infirm.

**In Witness Whereof**, I have hereunto set my hand and caused the Seal of the City of Dawsonville to be affixed this 3<sup>rd</sup> day of November, 2008.

Mr. Gary Barr  
City of Dawsonville  
P.O. Box 6  
Dawsonville, Georgia 30534

Re: Dawsonville Watershed Assessment Annual Update - 2008

Dear Mr. Barr:

We are pleased to provide the following proposal for the chemical and field data collection for the City of Dawsonville's watershed assessment annual update. The scope of services we propose to provide is as follows:

1. Responsible for all collection and sampling as outlined in your Watershed Protection Plan. This will include three (3) samples per site over 2 seasonal 4-week periods beginning in December 2008 and be completed in June 2009. EPD has reduced the City's sampling sites to three instead of four.
2. Provide all field data on Excel spreadsheet as per your recommendation.
3. Meet and discuss with you or your staff on all field data compiled.

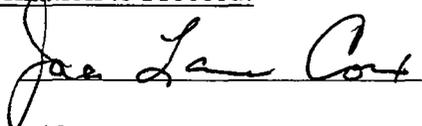

The chemical sampling and analysis will be divided into three invoices of \$2500.00 per sampling event. Total fees will be \$7500.00. Any expenses incurred for the purchase of equipment, materials and supplies will be invoiced at actual cost plus 10%. We will invoice for our services after each event.

If you want us to proceed with providing these services, please sign, date and return a copy of this proposal to us.

Yours truly,

  
Rick M. Jeffares  
President

RE: Biological and Habitat Sampling  
City of Dawsonville Watershed Protection Plan  
Dawson County, Georgia

Dear Mr. Barr:

We are pleased to submit this proposal to carry out work on the above referenced project. The project sites are located in and around the City of Dawsonville, Dawson County, Georgia. We understand our role would be to perform biological and habitat sampling at three (3) monitoring stations, as determined by GBT Engineers, the City of Dawsonville, and the Georgia Environmental Protection Division (GAEPD). This monitoring plan is part of the City Dawsonville's required Watershed Protection Plan. The three sampling station locations and the sample analysis to be performed are as follows:

- Burt Creek
- Un-named tributary to Shoal Creek
- Flat Creek

**Task 1: Biological and Habitat Assessments**

**Scope of Work**

We would perform fish community sampling via a backpack electrofisher and aquatic macroinvertebrate sampling using 20 dipnet sweeps and targeting productive habitat at three (3) stations in the City of Dawsonville. Samples collected would be preserved on-site in 95% Ethanol. All sampling would be performed and recorded according to GAEPD/ Environmental Protection Agency (EPA) protocol. In addition, habitat assessments, pebble count and *in situ* water quality measurements will be conducted at all three sites.

Under this scope we would provide macroinvertebrate identification of a two-hundred organism target sub-sampling and sorting. Identification will be carried out to the lowest practical level according to GAEPD/EPA protocol. The sample identification will be done by a certified laboratory at a cost of \$300.00 per sample. In addition to our macros sampling, we will also perform fish surveys at the site. We will conduct the fish sampling using Smith-Root Backpack Electro-fisher and dip-nets. We will perform a field identification of collected specimens, and preservation and lab verification, if necessary. Upon completion of the identification we will provide you with taxa lists presented in Excel spreadsheets.

**Cost**

The biological and habitat assessments would be completed on an hourly basis not-to-exceed \$9,840.00 (\$3,280.00 per site for three sites). The hours have been broken out per site, and are listed below for your review.

- Field work preparation and logistics (3 hours)
- One (1) macroinvertebrate collection, habitat assessment, pebble count and *in situ* measurements (1 day, 2 scientists; 6 hrs/day/scientist including travel time)
- One (1) fish community assessment (1 day, 2 scientists, 5 hrs/day/scientist including travel time)
- Biota Data Analysis, Metric Computation, QA/QC Review, and Reporting (9 hrs/site; completed by scientists, senior scientists, and R-N principals)
- Coordination with client and/or contingency for unforeseen collection failures (1 day, 2 scientists, 2 hrs/day/scientist including travel time)

**SAMPLING**

Prep time	3hrs x \$80/hr	\$ 240.00
Fieldwork		
Habitat Assessment/ <i>In situ</i> Measurements/ Macro Collection/Pebble Count	10hrs x \$80/hr	\$ 800.00
Fish Community Sampling	10hrs x \$80/hr	\$ 800.00
Sample Identification	\$300/sample	\$ 300.00

**REPORTING**

Biota Data Analysis/ Metric Computation/Taxa List QA/QC/ Review	9hrs x \$100/hr	\$ 900.00
Contingency/Coordination	3hrs x \$80/hr	\$ 240.00
<b>TOTAL PER SITE</b>		<b>\$3,280.00</b>

Project-related expenses (mileage, board, photos, postage, etc.) will be added as direct expenses to monthly invoices. Please note that monthly invoices will be generated "per site sampling station" in order to track work completion and budgetary items.

**Task 2: Additional Services**

We will remain available to work on a time and materials basis on project related issues not included in the above task. Such issues may include peripheral meetings, response to comments, and site-specific planning and investigations, as appropriate. Our labor rates are listed below.

Principal Consultant - \$150/hour;  
 Special Projects Manager - \$135/hour;  
 Senior Project Manager - \$115/hour;  
 Project Manager - \$95/hour;  
 Environmental Scientist - \$80/hour;  
 Environmental Technician - \$70/hour;  
 Business Management - \$45/hour; and  
 Administrative Assistance - \$25/hour.

Our involvement in after-hours meetings may require our premium rates. Also, our involvement does not necessarily include scope or fees for preparing or submitting permit application packages or related correspondence beyond that which is listed in the scope of this proposal.

**Terms, Conditions and Exclusions**

Actual work will begin upon receipt of a signed proposal. Any conditions or clarification you may wish to add or negotiate should be noted and returned for our final resolution, revisions and/or price adjustments. **If you wish to approve the work by task only, please note on the signature page, as appropriate. Please note that this proposal is valid for 30 days, at which time, a new proposal may be issued due to pricing changes and/or environmental issues.**

Please note the terms of our Not-To-Exceed fee structure require us to perform the work within the specified budget unless unforeseen circumstance arise that change our ability to reasonably complete the work within the initial budget. If this occurs, work will be delayed and you would be notified immediately. No modifications to the budget would occur without prior approval.

We will invoice you on a monthly basis for all work performed on the project. Mileage will be invoiced at the IRS approved reimbursable rate and all other required expenses will be invoiced at our cost.

**Mutual Indemnity**

To the fullest extent permitted by law, the Consultant shall indemnify and hold harmless the Client from and against claims, damages, losses and expenses, including but not limited to reasonable attorneys' fees, arising out of or resulting from performance of the Work, provided that (i) such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself) but only to the extent caused in whole or in part by negligent acts or omissions of the Consultant and only to the extent of the Contract Sum; and (ii) such claim, damage, loss or expense is not caused in part by Client, its agents, servants, or employees, or by some third party.

To the fullest extent permitted by law, the Client shall indemnify and hold harmless the Consultant from and against claims, damages, losses and expenses, including but not limited to reasonable attorneys' fees, arising out of or resulting from performance of the Consultant's Work, or the work performed on the Project as a whole.

Thank you again for the opportunity to be involved with the project. If there are any questions regarding this matter please contact Mr. Marcus Rubenstein or me at your earliest convenience. We look forward to working with you in the near future.

Sincerely,

Candy Reeves  
Business Manager

**City of Dawsonville Watershed Protection Plan - City of Dawsonville:**

Task 1: Biological and Habitat Assessments      \$9,840.00 (\$3,280.00 per site for three sites),  
plus project-related expenses.

**A RESOLUTION OF THE CITY COUNCIL OF  
DAWSONVILLE, GEORGIA  
ADOPTING THE CITY OF DAWSONVILLE COMPREHENSIVE  
PLAN, 2008-2030**

**WHEREAS:** The State of Georgia requires its local governments to develop and maintain a comprehensive plan for the purposes of coordinating future development policies and the investment of public services and facilities; and

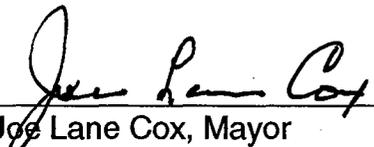

**WHEREAS:** The City Council, as the governing authority of the City of Dawsonville, Georgia, has participated in developing an update to the City of Dawsonville Comprehensive Plan; and

**WHEREAS:** The City of Dawsonville Comprehensive Plan, 2008 - 2030 was prepared in accordance with the Rules and Procedures of the Georgia Department of Community Affairs; and

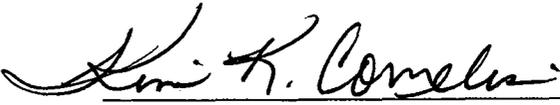

**WHEREAS:** The elements for the City of Dawsonville Comprehensive Plan, 2008 - 2030 - The Community Assessment, the Community Participation program and the Community Agenda - have all been reviewed and approved by the Georgia Mountains Regional Development Center and the Georgia Department of Community Affairs;

Now, therefore, **IT IS HEREBY RESOLVED** by the City Council that the City of Dawsonville Comprehensive Plan, 2008 - 2030 is adopted and it becomes the official plan for the City of Dawsonville.

Adopted by the City Council this 3rd day of November, 2008.

## **ZONING ORDINANCE AMENDMENT**

**AN ORDINANCE TO AMEND THE ZONING ORDINANCE OF THE CITY OF DAWSONVILLE, GEORGIA, TO PROVIDE FOR REGULATIONS RELATED TO PERMITTED USES IN CERTAIN ZONING CATEGORIES, TO PROVIDE FOR AN EFFECTIVE DATE, AND FOR OTHER PURPOSES.**

WHEREAS the Constitution of the State of Georgia provides in Article IX, Section II, Paragraph IV thereof, that the governing body may adopt plans and exercise the power of zoning; and

WHEREAS, the Georgia General Assembly has enacted the Georgia Planning Act of 1989, (Georgia Laws, 1989 pp. 1317-1391, Act 634) which among other things provides for local governments to adopt plans and regulations to implement plans for the protection and preservation of natural resources, the environment, vital areas, and land use; and

WHEREAS, the City is granted the power to by and through its Charter at § 1.12(29) to regulate acts, practices, and conduct which may be detrimental to the health, sanitation, cleanliness, welfare and safety of the inhabitants of the City; and

WHEREAS, The City finds that the regulations contained in this Ordinance are necessary for the purposes of implementing its comprehensive plan adopted pursuant to the requirements of the Georgia Planning Act of 1989; and

WHEREAS, this Ordinance has been prepared and considered in accordance with the Zoning Procedures Act, O.C.G.A. § 36-66-1 et. seq., and

WHEREAS, this Ordinance is necessary for the purposes of promoting the health, safety, morals, convenience, order, prosperity and the general welfare of the City of Dawsonville; preventing and abating nuisances; lessening overcrowding, including animal overcrowding, in residential areas; providing adequate light and air; avoiding inadequate light and air; avoiding undue concentration of population; facilitating the adequate provision of transportation, water, sewerage, schools, parks and other public requirements; improving the aesthetic appearance of the City of Dawsonville; conserving the value of buildings and land; and encouraging the most appropriate use of land and buildings throughout the City of Dawsonville in accordance with its duly adopted comprehensive plan;

NOW THEREFORE, the governing body of the City of Dawsonville, Georgia, does hereby ordain, enact and thereby incorporate into the City Code of Dawsonville, Georgia, this ordinance and all of its sections as set forth below:

**SECTION ONE: Repeal of § 2202.7 of Article XXII**

Section 2202.7 of Article XXII of the City of Dawsonville Land use and Zoning Ordinance is hereby deleted in its entirety.

**SECTION TWO: Enactment of New § 2202.7 of Article XXII**

Section 2202.7 of Article XXII of the City of Dawsonville Land Use and Zoning Ordinance is hereby established and enacted as follows:

“Any other commercial or industrial use that the planning commission or the City of Dawsonville city council determines not to be dangerous, offensive, unhealthy, nor detrimental to the community.”

**SECTION THREE: Repeal of Conflicting Ordinances**

All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

**SECTION FOUR: Severability**

If any section, provision or clause of any part of this Ordinance shall be declared invalid or unconstitutional, or if the provisions of any part of this Ordinance as applied to any particular situation or set of circumstances shall be declared invalid or unconstitutional, such invalidity shall not be construed to affect the portions of this Ordinance not so held to be invalid,

or the application of this Ordinance to other circumstances not so held to be invalid. It is hereby declared as the intent that this Ordinance would have been adopted had such invalid portion not been included herein.

**SECTION FIVE: Effective Date**

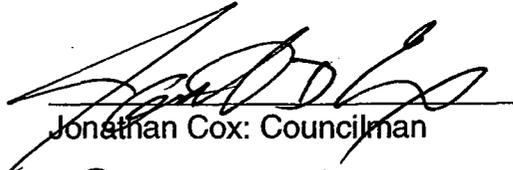

The effective date of this Ordinance shall be the day this Ordinance is adopted by the Mayor and City Council of the City of Dawsonville, Georgia.

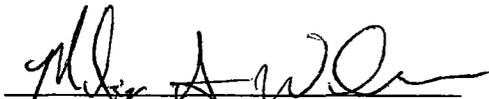

Adopted and Ordained this 3rd day of November, 2008.

**CITY OF DAWSONVILLE, GEORGIA**
