Message from the Mayor

W. James Grogan
Mayor

My brethren, count it all joy when you fall into various trials, knowing that the testing of your faith produces patience. But let patience have its perfect work, that you may be perfect and complete, lacking nothing. James 1:1-4

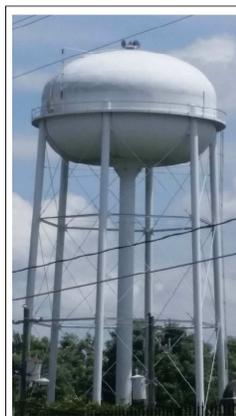

Fall is here, there is more to change than just the weather and your clothes; it's a perfect time to swap out your not-so-good habits for better ones. Or if you have picked up some healthy habits over the summer, such as eating more local grown fruits and vegetables (thank you local farmers markets and roadside stands!) and exercising (hooray!), this is certainly not the time to let those habits slip away. Eat within reason, drive carefully during the holidays and be careful putting up those decorations, so we can all enjoy the fall festivals (Mountain Moonshine Festival), Thanksgiving and the Christmas season.

Thank you for allowing me to remain as your Mayor for another four years. We've enjoyed many successes over the last four years and cannot rest on those. We must push forward to achieve the goals before us. Our revitalization of downtown has been slower than I like, but when done will be a real asset to our community. Main Street Park will move along much quicker this next year. It was less than a year ago that we started talking about a city park. Money from our SPLOST has started to come in and we are deciding priorities for this money. Main Street Park will be front and center on the agenda. Not to forget, is the improvements being made by our Public Works Department, including replacing very old water lines on Academy and Maple Streets, along with increased capacity at our pond and repainting and repair of our water tank. They are also upgrading our filter system for even better quality of water.

Again, I am blessed to be your Mayor, and thank you for this opportunity. Our city is the best place to live and work in the state. Together we make Dawsonville!!

Your Mayor,

W. James Grogan
