The Walk of Honor

The Walk of Honor

The Veterans Affairs of Dawson County (VADC) is a group of citizens, community leaders, and veterans whose goal and purpose is to work together to honor all of our veterans and active duty military through various activities and projects.

The VADC is currently working on producing a Veterans Memorial which will be installed at Veterans Memorial Park, Hwy. 9 N., Dawsonville.

A component of that project is **The Walk of Honor**. **The Walk of Honor** will be a bricked walkway which is made of engraved bricks commemorating both Active Duty and Retired military; in honor or in memory of.

Interested individuals, clubs, and organizations are encouraged to purchase a brick in recognition of an individual, a unit, or all the members of our armed forces who have served or are currently serving our country.

***Note: One order form per brick; multiples of the same brick can be ordered on one form by denoting the quantity required.**
