RESOLUTION R2022-02

A RESOLUTION OF THE CITY OF DAWSONVILLE, GEORGIA TO ENACT A TEMPORARY, EMERGENCY MORATORIUM ON THE ISSUANCE OF DEVELOPMENT PERMITS AND BUILDING PERMITS WITHIN THE JURISDICTIONAL LIMITS OF THE CITY OF DAWSONVILLE DURING A STUDY OF DEVELOPMENT IMPACTS AND CAPITAL IMPROVEMENTS; TO PROVIDE FOR EXCEPTIONS; TO PROVIDE FOR SEVERABILITY; TO PROVIDE FOR AN EFFECTIVE DATE; AND FOR OTHER PURPOSES

WHEREAS, the City of Dawsonville, Georgia is a Georgia Municipal Corporation which provides planning and zoning, as well as enforcement of building codes and regulations as a qualified local government;

WHEREAS, the City of Dawsonville directly provides, provides via contractual arrangement, and/or regulates, *inter alia*, the following services, all of which are and will continue to be impacted by residential and commercial development: road and street construction or maintenance, solid waste management, water supply and distribution, wastewater treatment, stormwater collection and disposal, public safety, and recreational facilities;

WHEREAS, local governments, pursuant to Chapter 71 of Title 36 of the Official Code of Georgia Annotated, may consider and adopt development impact fees which are imposed upon development as a condition of development approval to pay for a proportionate share of the cost of system improvements needed to serve new growth and development;

WHEREAS, such development impact fees may be collected at the time of the issuance of a development permit or a building permit, depending upon the particular purpose of the fee;

WHEREAS, the City of Dawsonville is starting the process of studying and developing a system of development impact fees pursuant to Chapter 71 of Title 36 of the Official Code of Georgia, Annotated;

WHEREAS, there are tracts of developed land which could be redeveloped, and undeveloped land in the City of Dawsonville which if developed, or if rezoned and developed, could create significant impacts on the services, facilities, and infrastructure of the City of Dawsonville, to include but not necessarily be limited to significant improvement costs as a result of the development;

WHEREAS, a review of development fee impact ordinances and studies related to the same confirms that residential development and usage creates the greatest impact on local government facilities, infrastructure, and services;

WHEREAS, the City of Dawsonville, pursuant to its police power, is authorized to enact ordinances to further and protect the health, safety, welfare and morals of the public;

WHEREAS, given the potentially significant impact to the services, facilities and infrastructure needs and demands of developing or redeveloping property, the City of Dawsonville has

determined that it is reasonable and necessary, in order to protect the health, safety, welfare and morals of the public, to enact a temporary, emergency moratorium on development and building permits in the City of Dawsonville;

WHEREAS, the enactment of a temporary, emergency moratorium is a valid exercise of the police power of the City of Dawsonville in order to preserve the status quo while it considers a new ordinance;

WHEREAS, there are significant developments which could have a large impact on the City of Dawsonville's provision of services if Development Impact Fees are not adopted;

WHEREAS, the emergency measures contained herein are limited in scope and duration, to provide time for the City of Dawsonville to consider the adoption of a longer moratorium while considering whether to adopt Impact Fees;

AND WHEREAS, the moratorium, as described herein, is found by the City of Dawsonville to be an appropriate, reasonably necessary, not unduly oppressive, and narrowly tailored exercise of the City of Dawsonville's police power.

NOW, THEREFORE, premises considered, be it ordained by the Council of the City of Dawsonville, as follows:

Section 1. There is hereby enacted a moratorium on (a) the acceptance of applications for, or the issuance of land development permits (including land disturbance permits) as well as (b) the acceptance of applications for, or the issuance of building permits, within the corporate limits of the City of Dawsonville, Georgia, for properties which are in the following zoning districts:
