Does This Proposal Qualify For A Variance?

The purpose of a variance is to provide relief when a strict application of the district requirements would impose unusual practical difficulties or unnecessary physical hardships on the applicant. No variance shall be granted to allow the use of property for a purpose not authorized within the district in which the proposed use would be located. A variance should be granted only after evidence is presented and accepted that enforcement of all of the required standards on the property in question would render the property useless. This Article establishes conditions; criteria for granting variances; public hearings on proposed variances; variances to road requirements; variance procedures; compliance with conditions of approval; vested interest in approved variances; investigations and reports; revocation; limitations on reapplications; and use variance. A variance may be granted, upon specific findings that all of the following conditions exist. The absence of any one of the conditions shall be grounds for denial of the application for variance.

Date of Second Reading: May 19, 2025

Date of Adoption: May 19, 2025 Effective Date: May 19 2025

ORDINANCE NO. 03-2025

AN ORDINANCE TO AMEND THE ETHICS CODE OF THE CITY OF DAWSONVILLE SO AS TO PROVIDE FOR THE QUALIFICATION OF MEMBERS TO THE ETHICS BOARD; TO PROVIDE FOR SEVERABILITY; AND FOR OTHER PURPOSES.

WHEREAS, an Ethics Board is a proper part of the ethics ordinance process, in that an Ethics Board provides for due process to make certain that ethics complaints against officials are well founded, and offers protection during the consideration of ethics complaints; and

WHEREAS, a diverse Ethics Board, in terms of geographical location within the City of Dawsonville, may promote a broader representation of views on matters which come before the Ethics Board; and

WHEREAS, a diverse Ethics Board, in terms of geographical location within the City, may reduce the circumstances in which members of the Ethics Board would have to recuse themselves in such numbers as to render the Board unable to fulfill its functions if called upon;

WHEREAS, the City Council desires to update its Code of Ethics in a manner consistent with the City charter, state law, and other ordinances of the City of Dawsonville.

NOW THEREFORE, THE COUNCIL OF THE CITY OF DAWSONVILLE HEREBY ORDAINS AS FOLLOWS:

SECTION 1.

Section 2-81 of the Code of the City of Dawsonville is hereby deleted in its entirety, and in its place is adopted the following, which shall be a new Section 2-81 of the Code of the City of Dawsonville upon its passage:

- (a) The ethics board shall consist of five persons. All members shall be residents of the City. One member shall be appointed by the Mayor, and each city council member shall appoint one person to fill out the remaining four spots. No two members appointed by the City Council shall reside in the same voting district of the City. All appointed members shall be subject to approval by the City Council, which approval shall be unanimous. In the event unanimity is not obtained for a particular appointee, the person who appointed the person not unanimously approved shall bring forth another name for the Council to consider.
- (b) Once per year the ethics board shall convene to select among its members a chairperson who shall preside at any meetings and who shall only vote in case of a tie among the remaining members on any particular issue. The members shall also select a vice-

- chairperson to preside in the absence or conflict of the chairperson. When the vice-chairperson is presiding he or she is limited to voting only in case of a tie. The chairperson or vice-chairperson plus three members of the ethics board shall constitute a quorum.
- (c) Vacancies shall be filled by following the same process which led to the selection of the person vacating a position on the ethics board with a portion of an unexpired term remaining, including being nominated by the Council Member from the same post that originally nominated the vacated position.
- (d) All members shall serve two-year terms. The foregoing notwithstanding, the appointed members of the Mayor, City Council Post 1, and City Council Post 3, shall serve three-year terms starting in 2025 so as to stagger the terms of the members of the ethics board. Thereafter, with the succeeding appointments in calendar year 2028, all members shall serve two year terms.
- (e) Members of the ethics board with any permit or rezoning application pending before the City, or with any pending or potential litigation against the City or the city official charged in a complaint, shall recuse from serving on the ethics board for that complaint.
- (f) Members of the ethics board may be removed by majority vote of the City Council.
- (g) For the purpose of reviewing a complaint, conducting a hearing, and taking action under Section 2-84, the ethics board shall have the right to engage an attorney who is an active member of the Bar of the State of Georgia in good standing to assist the ethics board. However, no such attorney shall be a member of the ethics board at the time he or she is engaged, and they shall not be considered to be a member of the ethics board for the purpose of making any decisions. The role of the attorney for the ethics board shall be to conduct investigatory activities requested by the ethics board, make reports and recommendations to the ethics board, and to represent the ethics board in any actions commenced by the ethics board. The City shall be responsible for the fee charged by Ethics Board counsel.
- (h) Hearings of the ethics board shall be scheduled by the City Clerk, except in the case where a complaint is against the City Clerk, and in that situation the hearing shall be scheduled by the City Manager. All efforts shall be made to schedule a hearing at a time when all members of the ethics board are available, within the context of any time limits imposed for the holding of such hearings otherwise set forth in this ordinance.

SECTION 2.

All Ordinances or parts of ordinances in conflict with this ordinance are hereby repealed.

SECTION 3.

This ordinance shall become effective upon adoption, the public good demanding the same.

CITY MANAGER REPORT

PREPARED JUNE 9 FOR JUNE 16, 2025

BRAG (Bicycle Ride Across Georgia): BRAG is a not-for-profit organization dedicated to providing affordable, quality bicycle tours in and across the state of Georgia lasting seven days that offers an unforgettable cycling experience. A week-long journey averaging about 55 miles per day with a rest day in the middle. Each year the routes are changed and designed to offer views of Georgia's picturesque countryside while taking riders though some of the most welcoming and hospitable towns in the state. BRAG offers rest stops every 12-18 miles with snacks, drinks, and fun activities that help them enjoy the stunning views. After the day's ride, BRAG offers a variety of activities for riders to enjoy, such as trivia, educational classes, yoga, a BRAG bar, and evening events in the towns where riders stay make the experience even more memorable. This year's event started in Rome, GA and finished up across the state in Hartwell, GA.

BRAG experienced Dawsonville June 3, 4, 5 and the event was a tremendous success with over 1,000 cyclists traveling from Jasper to Dawsonville. Arriving on Tuesday, June 3rd, the riders and their support teams camped in Main Street Park and at the Dawson County Junior High School. Tuesday night the movie *Trouble with the Curve* was offered in Main Street Park. Wednesday was a layover day with trips to AMP, Amicalola Falls, the outlet mall, and tours of Granddaddy Mimms and the Dawsonville History Museum/GRHOF. That evening two bands, Radford Windham & Step Back Cadillac and the Tommy Townsend Band performed a free concert in Main Street Park. Despite the rain that evening, the concert was enjoyed by all. Foot traffic throughout the event was exceptional. The cyclist left at 7 AM on Thursday headed to Clarkesville.

<u>Friday Food Truck Night:</u> We hope everyone came out and joined us on June 6th from 5-8 PM at the Farmer's Market for Food Truck Friday Night. Jon Wan was the musical performer, we had an inflatable obstacle course for kids and a toddler bounce house, and food trucks included Chuy's Tacos, Koi Hibachi on Wheels, Pico's Hot Dogs & Sausages, Black Market BBQ, Old Dad's Wings, Sydney's Scrumptious Eats, Hatsu Bubble Tea, and Eskimo Kisses Ice Cream.

<u>2025 Food Truck Night, Christmas Event Dates & the Amicalola Regional Farmer's Market:</u> Dates have been set for the remainder of the food truck nights in 2025 and include July 11th, August 1st, September 12th, and October 10th. Don't forget the Amicalola Regional Farmer's Market every Saturday from 8-1 through the middle of October.

The concrete work was completed this week, with framing to begin we hope the second week in June. This project was made possible in part by a generous \$20,000.00 grant from AEMC. Restroom planning and bid acquisition are underway.

<u>Ordinance Review & PZ Project Audit:</u> Staff have directed CPL to handle the review from start to finish and it along with the project audit is underway.

GDOT Work on the Downtown Roundabout: Work continues, please exercise caution when driving in this area.

Shoal Creek Bridge Construction & Paving Project: This project is well underway. Our portion is an estimated \$449,692.00. Also, work is well underway on the \$2 million roundabout at Shoal Creek and Hwy 136.

- <u>Disc Golf Expansion:</u> the addition of nine more holes to our disc golf course utilizing the property of the Board of Education is moving along nicely. The trail and course are complete, and signs and maps are under development.
- Playground & Shade: Staff continue researching shade for various locations in the park, including the
 playground, skate park, pickleball courts, and dog park. We received \$10,000.00 from the Dawsonville
 Civitan Club which will be used for this project over the inclusive playground area. Impact Fees could be
 used to supplement this grant. Our goal is to get 75-90% of the playground equipment under some form of
 shade. Staff are evaluating these projects which are anticipated to cost more than \$100,000.00.
- <u>Water Fountains:</u> We continue evaluating additional locations for water fountains within the park, each costing about \$7,000.

- Amphitheater Stage: Staff are researching options for this project.
- **Splash Pad:** Research into the possibility of adding this amenity is underway. The current cost estimate is over \$350,000.00. Impact Fees could help fund this project.
- Power for Amphitheater & Christmas Tree Walk: We are working with GA Power for additional power for the future amphitheater. Impact Fees could provide a great source of revenue for this project.

<u>Cannery & Multi-use Facility:</u> Georgia Power has agreed to provide a grant of \$12,000.00 for a feasibility study and the Department of Commerce provided an additional \$15,000.00. The \$27,000.00, approved by the City Council, is being used to fund a feasibility study conducted by Georgia Tech.
