Dear Potential Donor:

This Gift Catalog was developed in response to inquiries the City of Dawsonville receives about various ways interested citizens, service organizations, corporate entities, and others can help sustain, add to the beauty, honor someone or otherwise improve the quality of the experience at our city parks, the Farmer's Market, one of our cemeteries, the Dawsonville History Museum aka GA Racing Hall of Fame or other resources.

Options for donation or adoption might include, but are certainly not limited to, volunteer work, benches, trees, historical items and artifacts, corporate sponsorships, grant funding, design and construction fees, in kind work, or other opportunities. Volunteer opportunities might include, litter clean-up, trail maintenance, cleaning debris from benches, tables, shelters or other areas, becoming a docent sharing information in the Dawsonville History Museum aka GA Racing Hall of Fame, and much more. This catalog provides potential donors with a menu of donation and volunteer opportunities to benefit our community. When appropriate, tax documents can be provided for tax purposes.

Over the years, many contributions have been made to park resources, cemeteries and the Dawsonville History Museum/GA Racing Hall of Fame. For instance, years ago, the Wallace Family paid for the development of Wallace Park, a resource that is still heavily used today. Everyday, the GA Racing Hall of Fame remains open due to the outstanding commitment of their volunteers. In February 2020, the Dawsonville Civitan Club donated the funds for purchase of a wheelchair swing for Main Street Park, which improves our commitment to inclusive facilities. The Dawson County Women's Club have built and are maintaining pollinator gardens with an educational sign and donated eight benches.

While this document presents some wonderful ideas for sponsorships and potential donors, it is not intended to be a complete listing of all our needs and opportunities. If there is something that you would like to contribute or donate to the city, which is not listed within this catalog, please reach out to city personnel so it can be considered. So come on out and Adopt-A-Trail, A-Flower Bed, A-Road or almost anything you would like to care for and give back in service to your community.

Thank you for your interest in making Dawsonville a better place to live, work, raise a family and retire. Your consideration is deeply appreciated. Together we can continue to make Dawsonville Awesomeville.

Sincerely,

Mike Eason
Mayor

TOP 10 REASONS TO DONATE/SPONSOR

- Sponsorships and donations provide an excellent opportunity for publicity and advertising.
- Gifts can be a source of local matching funds for grant projects.
- Gives you satisfaction because you know you are making a difference.
- Puts your money to use in your own community so you can see the impact.
- Expediates the delivery of services and resources.
- Frees up funding for other programs and services, facilities and land acquisition for green space or other needs.
- Your gift helps encourage others to make similar efforts to improve the community.
- Your gift may be tax deductible.
- This program supports the construction, renovation, improvement and maintenance of our parks and other facilities which lower our costs while providing access to those with disabilities; improves safety and enhances the experience of those using our facilities and services.
- Leave a legacy, no matter one's financial means, a distribution of your assets conveys what you value in life. Legacy gifts make a strong statement about your passion while enhancing the quality of life for generations to come.

What Can We Do for You, Your Business or Organization?

- The City of Dawsonville is giving area corporations and businesses the opportunity to help promote and support our parks, Farmers Market and the GA Racing Hall of Fame. Area merchants, businesses and civic clubs can invest in our community while receiving exceptional recognition.
- Whether you would like to donate an item or enter into a corporate sponsorship, we have a plan to fit every budget. We are also searching for corporations to provide goods and services in exchange for sponsorships. Creative opportunities are available that could help increase your sales.
- Volunteering allows you to connect to your community and make it a better place to live. There are several different places to volunteer, whether it's at the Georgia Racing Hall Of Fame, Main Street Park, Wallace Park or other places in the city. What better way to give back than to be a volunteer for your community.
