Subject: RE: K4K
Date: Thursday, September 24, 2020 10:04:19 AM

Trampas met with Tiffany yesterday and at that time they had 91 booths. She is unavailable to attend Tuesday night. She advised they were not planning on using Memory Lane but was unsure where they were going to put the Swap Meet. She still contend that Greg Rowan had said he was concerned for pedestrians and wanted 53 closed. Trampas advised her what Greg had told us the past Friday; basically that unless K4K had at least 10 booths that had to be on 53, he felt it should be open. Greg has committed to being in attendance at next Tuesday's meeting.

I returned a call to Rhonda and we had a bad connection from her phone. Before we disconnected, she still affirmed what Tiffany has said regarding Greg Rowan and Hwy 53. I advised her that Greg had told us he would attend. Do to the bad connection, she said she would call me back. At this time she has not. She did send me the following text:

"We won't have the vendors placed by Tuesday. Hayley does that and she has pool room grand opening on Tuesday. We plan to work on that on Wednesday and Thursday."

I have sent her a text this morning to verify whether or not she can attend and she has not responded. In

Scott Morgan with the BOE phone me yesterday to discuss K4K. He advised they had a number of concerns for K4K and that they were meeting with them this morning (09/24). They are not allowing any campers on any of their properties and especially not at the BOE. That was a tremendous problem last year. He said that they had the same concern that we have discussed, the attitude that they can just come in and take over everything. I have not heard anything from Scott today.

I wish I had more definitive information to provide but you know all we know right now. If I hear from Rhonda or Tiffany about the Tuesday meeting, I will advise.

Subject: Moonshine Festival Update

All:

Trampas and I just finished a meeting with Greg Rowan of the DCSO. He did not request 53 to be closed as indicated at the meeting. He was concerned if festival goes park at Fajita Grill, Bearden's or the Post Office, there would be some concern for them crossing nut based on the fact that he doesn't think that many, if any, will park in those areas and if they do, it will be a very small number. He agrees that 53 remain open unless the festival booth number grows and that space is needed. He went to the K4K meeting this past Tuesday and will go again this Tuesday and then give us a letter about Hwy 53 as Sheriff Johnson is leaving festival-related decision to Greg

He does have concerns for closure of Memory Lane but it looks like it may not be used. He wishes the event had been cancelled as well with everything facing all of us in 2020.

He does have some real concerns, although he has no verifiable intelligence, that BLM and/or Antifa may show up and confrontations occur. John Walden and I have discussed this concern as well. The DCSO is putting together a plan for that as well.

As I reported earlier this week, as of our Wednesday meeting with Tiffany, 85 booths have been rented and she promised to give us a weekly update.

Please let me know if you have any questions. I will share any information with you as it becomes available.

Thank you,

Bob Bolz

7. FIFTY-THIRD ANNUAL MOUNTAIN MOONSHINE FESTIVAL

A. PERMIT REQUEST FROM KARE FOR KIDS FOR FESTIVAL: Mayor Eason asked Rhonda Goodwin if the Kare for Kids Board has approved holding the festival; she responded the Board has approved it. City Manager Bolz stated approval was received from the Sheriff's department, GDOT approved use of the state highways with the stipulation of meeting the Governor's executive order regarding the pandemic, as well as the Fire Department. Mayor Eason provided a brief overview of the application requests. Tiffany Buchan stated Greg Rowan with the Sheriff's department recommended keeping Route 53 closed (7:00 am to 7:00 pm) to avoid any issues with pedestrian traffic crossing over Route 53 during festival hours. Mayor Eason asked if documentation from the Sheriff's office was available; Tiffany Buchan stated she could get it.

Motion to approve application and road closures as presented and to incorporate signage as directed by the Governor's executive order in effect at the time of the festival made by M. French; second by S. Tolson.

Discussion occurred regarding the placement and assigning of spaces for the vendors. Clarification stated by Councilmember Phillips that if the festival needed to be expanded, the vendors would be placed on Route 53 and the highway will be closed 24 hours a day or if no vendors are placed on Route 53 then the highway would only be closed from 7:00 am – 7:00 pm. Rhonda Goodwin stated they will be filling all the spaces within the park and Allen Street first before using Route 53.

Vote carried unanimously in favor.

ADJOURNMENT:

At 4:33 p.m. a motion to adjourn the meeting was made by S. Tolson; second by J. Walden. Vote carried unanimously in favor.

Bob,

As in previous years, The Dawson County Environmental Health Office will require that any food vendors apply for and obtain a temporary food service permit. We also ask that a permit for the placement of temporary toilets be obtained as well, at no charge to the event sponsor.

I have attached the most recent Executive Order from Governor Kemp. In it are outlined the requirements for non-critical events. Kare for Kids will be expected to follow the terms of this Order as well as any subsequent iterations.

Please see the attached guidance from CDC in reference to gatherings.

Bill – hope you and yours are healthy and well.

We had sent you the traditional permit from K4K regarding the Moonshine Festival. We have not heard back from you. I wanted to see what your determination for the event is, especially in light of yesterday's newest EO.

Thank you,

Bob Bolz
