# Downtown Façade Grant Program

## Preserving Our Heritage

The historical, cultural, and aesthetic heritage of the City of Dawsonville is among its most valued and important assets. The preservation of this heritage is essential to the promotion of the health, prosperity, and general welfare of its people.

*Historic Downtown Dawsonville*

The Downtown Façade Grant Program is intended to stimulate investment into the revitalization and preservation of Dawsonville's historic downtown area to help promote that very health, prosperity, and welfare of our citizens.

## Application Guidelines

### Reimbursement

This is a reimbursement grant only and the amount may never exceed 50% of the total project. Upon completion of the project and based on the amount awarded and the paid receipts submitted, reimbursement will be made within ten (10) business days.

Grants are awarded on a competitive basis as funds permit.

Consideration is given to the participant's matching funds, as well as, implementation of the program's downtown design objectives.

## **Grant Caps**

See Award Structure (p.1) for grant caps. The maximum dollar amount can only be awarded to the same property every 3 years. Multiple projects by the same applicant, on the same application, will be considered for the \$1500 maximum, including bonus\*.

## **Eligibility**

Property owners, as well as business owners, are eligible to participate. Government entities, national franchises, and non-profits are not eligible. Projects not eligible are those where work has already started, general maintenance (other than painting), and interior, or landscape improvements.

## **Elevations**

Façade means the front street elevation of the building. However, as funds permit, the City of Dawsonville may consider use of funds for additional public elevations. For example, a corner building which fronts two public streets.

## **Maintenance**

If improvements are removed or not maintained, or any other violation occurs within three (3) years of project completion, the City of Dawsonville HPC may seek reimbursement for the full amount of Façade Grant funds paid to the participant.
