Downtown Façade Grant Program

Preserving Our Heritage

The historical, cultural, and aesthetic heritage of the City of Dawsonville is among its most valued and important assets. The preservation of this heritage is essential to the promotion of the health, prosperity, and general welfare of its people.

Historic Downtown Dawsonville

The Downtown Façade Grant Program is intended to stimulate investment into the revitalization and preservation of Dawsonville's historic downtown area to help promote that very health, prosperity, and welfare of our citizens.

Application Guidelines

Reimbursement

This is a reimbursement grant only and the amount may never exceed 50% of the total project. Upon completion of the project and based on the amount awarded and the paid receipts submitted, reimbursement will be made within ten (10) business days.

Grants are awarded on a competitive basis as funds permit.

Consideration is given to the participant's matching funds, as well as, implementation of the program's downtown design objectives.

Grant Caps

See Award Structure (p.1) for grant caps. The maximum dollar amount can only be awarded to the same property every 3 years. Multiple projects by the same applicant, on the same application, will be considered for the \$1500 maximum, including bonus*.

Eligibility

Property owners, as well as business owners, are eligible to participate. Government entities, national franchises, and non-profits are not eligible. Projects not eligible are those where work has already started, general maintenance (other than painting), and interior, or landscape improvements.

Elevations

Façade means the front street elevation of the building. However, as funds permit, the City of Dawsonville may consider use of funds for additional public elevations. For example, a corner building which fronts two public streets.

Maintenance

If improvements are removed or not maintained, or any other violation occurs within three (3) years of project completion, the City of Dawsonville HPC may seek reimbursement for the full amount of Façade Grant funds paid to the participant.

Application Photos

Must submit at least 5 “Before Project” photos with the knowledge that the applicant is giving the City of Dawsonville permission to use photos in grant reviews, presentations, websites, and any other projects that the City deems necessary. The photos can be in paper or electronic form. “After Project” photos should also be submitted before funds are awarded in the same manner.

Project Budget

A budget must be included and itemized with two (2) different quotes. The quotes must be on contractor letterhead and clearly marked, especially if additional work is being quoted for the interior or elevations other than the façade.

Permits

All projects must separately obtain a Certificate of Appropriateness from HPC and/or any other required permits from the City of Dawsonville. For questions regarding permits, historic boundaries, or any other general questions, please contact the City of Dawsonville’s Planning Department at 706.265.3256.

Open Enrollment Period

Applications will be accepted on a first come, first served basis in April and September of each calendar year, as funds allow. Applications will be collected until the last day of the month, in the identified open enrollment period. Award presentation will occur at the next month’s regularly scheduled Historic Preservation Commission Meeting. For example, the Spring application period will be the month of April. Applications will be accepted through the last day of April and the HPC will award the applicants at the May HPC meeting.

Award notification will occur by phone or email from a representative of the HPC or City Hall to the applicant prior to the regularly scheduled Historic Preservation Commission Meeting.

Award presentation will occur at the regularly scheduled Historic Preservation Commission meeting.

Plan ahead and save those paid invoices.
